Sarens UK expands

Sarens UK is opening two new locations

March 17, 2016

Middlesbrough-based Sarens UK is expanding with the opening of two new depots - one in London - with depot manager Ben Thomas - and the other in Hinkley, Somerset run by Scott Mitchell.

The depots will service London and the South of England with All Terrains ranging from 90 to 500 tonnes capacity.

Sarens offers a full range of lifting services along with skidding, jacking and SPMT hire. It has a total fleet of 39 cranes in the UK with ATs up to 1,000 tonnes and crawler cranes from 100 tonnes to 1,250 tonnes.

The company was established 90 years ago in Belgium and has bases in more than 50 countries worldwide. SOURCE: Vertikal.net (<http://www.vertikal.net/en/news/story/25102/>)
