

The **Sarens Group** has been providing heavy lift services and specialized transport for over 55 years, building a thriving enterprise that now touches every continent with offices in more than 50 countries and almost 4 000 dedicated employees who embody the spirit of the company's motto – nothing too heavy, nothing too high.

The success of the Sarens Group as a specialist of the extraordinary is built around an unwavering commitment to safety, engineering creativity and operational excellence. Add state of the art design tools to one of the world's largest inventories of cranes, transporters and specialty rigging equipment, along with a team of highly skilled professionals and it becomes clear why Sarens has evolved into an international market leader in heavy lift services and specialized transport.

OUR MISSION

Our goal is to be the global leader in heavy lifting and special transport.

OUR VISION

- CUSTOMERS - When they are satisfied, we are satisfied
- PEOPLE - Our most important assets
- CULTURE - An entrepreneurial spirit
- QHESW - Better safe than sorry
- EQUIPMENT - Rely on us
- FINANCE - Growth based on profits

Worldwide offices in more than 50 countries
