## Sarens Plans to Increase Crane Fleet in Ukraine

As part of its strategic planning and business development in Ukraine, Sarens is set to increase the number of available cranes in the country's fleet by the end of 2020. This move reflects the promising potential of the Ukrainian market, especially if development is approached in a consistent manner.

Cranes for Sale!](#)

The Sarens family has obtained through personal Chinese contacts protective masks for our guardian angels, the medical professionals. The masks were donated to Sint Blasius Hospital in Dendermonde and Sint Augustinus Hospital in Antwerp, Belgium. We plan to stand by the side of those who are in the line of fire now.
