

HEAVYWEIGHT NEWS

HUMANKIND
IS ASKED TO CARRY
A WEIGHT THE LARGEST CRANE
IN THE WORLD CAN'T LIFT.

The Strongest Crane in the World!

2020 has been a heavy year. Humankind is asked to carry a weight the largest crane in the world can't lift.

We need something stronger.

A crane made out of:

- Solidarity
- Courage
- Science
- Iron will

Let's build together by staying safe!

The Sarens family has obtained through personal Chinese contacts protective masks for our guardian angels, the medical professionals. The masks were donated to Sint Blasius Hospital in Dendermonde and Sint Augustinus Hospital in Antwerp, Belgium. We plan to stand by the side of those who are in the line of fire now.
