

# HEAVYWEIGHT NEWS

## Happy Holiday Season!

For 70 years, Sarens has been shaping the world—one project, one lift, one vision at a time. Through industry-leading safety standards, a diverse and powerful fleet, and a team of dedicated professionals across continents, we continue to push boundaries. We elevate ESG, set the bar in safety, and serve our clients with purpose. As we enter 2026, one thing is clear: we are ready for the challenges ahead. The best is yet to come.

## Sarens Named by Bechtel Supply Chain Partner of the Year 2025

Bechtel Recognised Sarens with Distinction for Exceptional Services. The award was presented to Sarens for its outstanding performance on the Mobile Launcher 2 (ML2) project at NASA's Kennedy Space Center, where Sarens worked closely with Bechtel to deliver complex heavy lifting and transport operations supporting NASA's Artemis programme.

## Sarens Supports Kalimantan's Rise as a Logistics Powerhouse with Key Installation at Interport Balikpapan

Sarens contributed to the Interport Balikpapan expansion project. We supported the installation of a 103-tonne deodoriser unit designed to improve air quality throughout the port and surrounding areas. This installation is a critical step toward ensuring compliance with local environmental standards while enhancing the overall functionality of the port.
